To: Nate Kaplan <[nate.kaplan@lacity.org](mailto:nate.kaplan@lacity.org)>

Hello Nate,

Per your phone message yesterday afternoon and phone call today, John Ruhlen / Donald Duckworth have agreed to proceed with voluntary dedication of the strip lots and as such the Councilman has decided to include the landscaping of the strip lots into the Westchester Streetscape project.

Attached please find Voluntary Dedication Proceedings and Application. Please have the private parties start their voluntary dedication process at West Los Angeles Engineering District office ASAP as upon completion of design by September, I will need copies of the recorded dedication deeds to be able to request for authorization to advertise the project for construction.

Their initial point of contact at West Los Angeles Engineering District office is Anthony Munoz ([\(310\)575-8530](tel:(310)575-8530)) or his designated staff.
